Hello –

Please note that, following the FERC software conference, ARPA-E will host its Grid Optimization Competition Workshop at the Commission Headquarters on Thursday, June 28 from 1:15-3:30 PM EST. We have attached the agenda.

Please also note that the agenda for the FERC software conference was posted on the FERC website. Please see the event calendar page below. Please also check back after Friday, June 15, when we will publish a longer version with abstracts.

We hope you are able to join for both the FERC conference and the ARPA-E workshop. As always, please share this information with any colleagues that may be interested, let us know if you have questions, or wish to be removed from this list.

Thanks!

Dan

**Subject:** Announcement: FERC's Ninth Annual Software Conference - June 26-28, 2018

Hello –

On behalf of Richard O'Neill, we would like to let you know that we have formally announced that our ninth annual software conference will be held at the Federal Energy Regulatory Commission's headquarters in Washington, D.C. on June 26-28, 2018. Further details can be found in the attached Notice. The Notice can also be found at the following sites:

<https://www.ferc.gov/EventCalendar/EventDetails.aspx?ID=10992&CalType=&CalendarID=116&Date=06/26/2018&View=Listview>
